

# VUE

LIFE FROM A FRESH PERSPECTIVE

## A NEW POINT OF VUE

Unravel your routine and connect with the environment around you. A fresh lifestyle choice is emerging in the rolling green hills of Ormeau. A place where you can embrace the moments that matter. Where natural beauty and the pulse of life flow evenly, as one.

At the heart of established Ormeau, Vue is the place to build the life you always imagined. After all, life should be about freedom, and Vue, with its distinct connection to its natural setting, is the place you'll discover it.

**Welcome home to Vue.**  
**It's life, from a fresh perspective.**

## VUE BY NAME. VIEWS BY NATURE.

In Ormeau, nature has provided a verdant canvas and Vue provides a perfect vantage point to frame it. Whether you're enjoying a glass of wine, or simply relaxing after a long day, Vue is a modern retreat with an open space character that extends across the canefields to the foothills that meander beyond.

Rarely available premium elevated lots maximise their outlook and deliver refreshing summer breezes, while a selection of homesites front a protected nature reserve and invite the surrounding environment in. A wide selection of land sizes are available from 417m<sup>2</sup> to 1286m<sup>2</sup>.

*Vue is the very  
definition of  
Ormeau lifestyle*

# BUILD YOUR FUTURE, IN YOUR OWN BACKYARD

Renowned for its natural beauty and proximity to both Brisbane and the Gold Coast, Ormeau is widely regarded as a leafy sanctuary. A place for families to grow and enjoy modern village style amenities within easy reach of major urban facilities.

The local Ormeau-Pimpama area is highly regarded as an education hub, offering a large choice of schools, colleges and kindergartens. A short drive takes you to either Westfield Coomera or Logan Hyperdome for a day strolling the designer brands. Medical centres and established parks are all close at hand; access to the M1 is just minutes away; and when it's time to commute without the drive, the train station at Ormeau is just 10 minutes from home.
